

IN THE IOWA DISTRICT COURT IN AND FOR \_\_\_\_\_ COUNTY

---

STATE OF IOWA, : NO. \_\_\_\_\_  
Plaintiff, :  
vs. :  
\_\_\_\_\_, : ORDER RE: APPLICATION TO EXCEED  
Defendant. : FEE LIMITATION

---

NOW on this date, there comes before the Court an Application to Exceed the Fee Limitations under Iowa Administrative Rules 493 Chapters 11 and 12 for the representation of \_\_\_\_\_ in a *juvenile/adult/appellate* case filed by the attorney for \_\_\_\_\_. The application was filed:

\_\_\_\_ (a) prior to the attorney exceeding the fee limitations; or

\_\_\_\_ (b) after the attorney exceeded the fee limitations, the Court finds (*does not find*) that good cause exists excusing the attorney's failure to timely file the application to exceed the fee limitations and that the attorney is (not) authorized to file an untimely application to exceed fee limitations.

After a review of the application, it appears that the anticipated services are (*not*) necessary in the reasonable professional judgment of counsel. The Court finds that the application should (*not*) be granted.

IT IS THEREFORE ORDERED that \_\_\_\_\_, attorney for \_\_\_\_\_ *may exceed the fee limitations established in the Iowa Administrative Code 493 chapters 11 and 12 or may (not) be compensated in an amount in excess of the \$\_\_\_\_\_ limitation, but said compensation shall not exceed \$\_\_\_\_\_.* Nothing in this order limits the ability of the State Public Defender's Office to review and adjust any attorney fee claim submitted.

SO ORDERED this \_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_.
