INTRODUCTION

This report pursuant to Department of Management procedures provides an overview of the State Public Defender's fiscal year 2018 operations related to court-appointed counsel, claims processing, and other indigent defense matters. This information, in accordance with the Accountable Government Act, is meant to help improve decision making and increase accountability to stakeholders and the citizens of Iowa.

Iowa's indigent defense system remains strong. The more than 200 employees of the State Public Defender System have been efficiently providing high quality representation on more cases than ever before. In Fiscal Year 2018, public defender offices closed 82,117 charges, at an average cost per charge of \$303.75, and there was a final finding of ineffective assistance of counsel in less than .001% of these charges.

Similarly, more than 750 contract attorneys continued to provide high quality representation throughout all 99 of Iowa's counties. In Fiscal Year 2018, 82,501 claims were paid out of the indigent defense fund, at an average cost per claim of \$447.42. This was an increase of over 5,700 claims from Fiscal Year 2017 and the total amount spent from the indigent defense fund increased by 6.6% from the previous fiscal year.

OVERVIEW

Justice for all in Iowa's criminal and juvenile courts is the vision of the State Public Defender. To achieve that vision, the SPD has the mission to ensure that all indigent persons in Iowa are provided high-quality legal representation in criminal, juvenile, and other eligible proceedings in the most efficient and fiscally responsible manner.

The provision of legal services to indigent clients is constitutionally mandated. In Iowa, these services are provided through a combined system of local public defenders and private attorneys. The State Public Defender provides high-quality, cost-efficient legal representation to indigent clients in state criminal court, juvenile court, and other proceedings as required by law in those areas of the state where local public defenders exist. The State Public Defender also has jurisdiction over the Indigent Defense Fund, which provides funds to pay for indigent defense and ancillary services provided by private contract attorneys and miscellaneous vendors, such as expert witnesses and court reporters. Indigent defense services are constitutionally mandated, which requires these services to be paid by the state. The Indigent Defense Fund pays for those indigent services not covered by local public defenders.

The State Public Defender maintains two core functions. The first is high-quality and cost-effective representation by public defenders to indigent clients in State criminal court, juvenile court, and other proceedings as required by law. The SPD operates **18** field offices across the state and employs more than **150** attorneys. These attorneys are appointed to cases with identified indigent clients by the presiding judge based on a matrix of designations developed by the State Public Defender. In the event of conflicts of interest or lack of available local public defender staff the presiding judge may appoint a private attorney who holds a contract with the State Public Defender.

The State Public Defender maintains contracts with over **750** private attorneys across every county in the State to handle cases where no SPD attorney is available due to location or ethical conflict. These attorneys perform their services for fixed hourly fees subject to caps that vary by the nature of the case. Upon the completion of a case, or at contractually defined intervals, the contracted attorneys submit claims for payment for their services. The prompt and fair review, adjudication, and payment of these claims is the second core function of the State Public Defender's office.

OFFICE INITIATIVES

The Office is embarking on an upgrade of the iDOCIT case management system used by our Field Offices. This effort will focus on obtaining better and more consistent data and providing more robust reporting capabilities, allowing SPD to better determine appropriate designations and staffing assignment to provide cost savings to the state.

An evaluation of the responsibilities of the Office was conducted on an ongoing basis during the fiscal year. In some cases, staff positions were reassigned to best utilize the skills necessary to accomplish the mission of the Office. The Office continues to maximize state resources to accomplish our mission.

The Office live-piloted the Miscellaneous Claims Online Submission System in the Spring of 2018. A mission-critical bug was discovered in the interface between CRS and i/3. The pilot was suspended until this issue can be resolved. It is expected that the pilot will resume in the 1st Quarter of calendar year 2019 followed by a roll-out to most Miscellaneous claimants through the remainder of calendar year 2019.
